Vienna, 18 June 2010

Dear Rector/President,

the University of Vienna is happy to host the UNICA General Assembly 2010 in Vienna, October 28 – 30, 2010. After the Ministerial Bologna Summit Budapest – Vienna and the presentation of the EUA Trends 2010 Report in March the UNICA General Assembly will mark another academic meeting of European significance in Vienna.

Within the framework of the General Assembly 2010 we will also celebrate the 20th Anniversary of the UNICA network – during a gala dinner in the Great Ceremonial Hall of the University of Vienna we will look at the past, present, and future of our network. Moreover, during the General Assembly we will have the occasion to further strengthen the links between our institutions, to determine UNICA's range of activities for the next years, and to discuss strategic issues of the European Higher Education and Research Areas.

You will find the program of the UNICA General Assembly, the agendas of the meetings and seminars as well as the hotel registration form and other practical information at <http://unica2010.univie.ac.at>

We sincerely hope you will be able to attend the UNICA General Assembly 2010 and the celebration of 20 years of UNICA and we are looking forward to meeting you in Vienna in October.

Yours sincerely

Arthur Mettinger
